## ATTENTION GRADUATING AND PRACTICING PSYCHIATRISTS

### ONE POSITION AVAILABLE

- Have you completed or are about to complete your FRCP examinations?
- Are you eligible for licensure in the Province of Ontario?
- Are you interested in a flexible work schedule?
- Are you interested in a flexible and generous vacation schedule?
- Would you like to live in "the prettiest town in Canada," and experience the natural, cultural, and historical beauty of Goderich?

Our hospital has twenty Schedule I Inpatient beds and is staffed by an experienced multidisciplinary team. We are an active, full-service rural hospital staffed by family physicians, specialists, and a wide range of visiting specialists.

As affiliates of the University of Western Ontario, successful applicants have the opportunity to pursue academic appointments and supervise Psychiatry and Family Practice Residents. We also have a partnership with Gateway Centre of Excellence in Rural Health for your interest in rural health research.

We are designated underserviced and with that comes financial incentives to establish your practice in this region.

Goderich sits atop the scenic bluffs overlooking beautiful Lake Huron. The Town of Goderich is known nation-wide as the *Prettiest Town in Canada* and has been named by *Chatelaine* magazine as "One of the ten best places to live in Canada" and more recently identified as "One of the 20 great places to live" by *50Plus* magazine. Goderich has developed into a prosperous Lake Huron port and is considered to be one of the premier vacation spots in Southwestern Ontario.
